Indiana, Pennsylvania*

Volume XXXI

1958-1959

FOREWORD

The Cue is your handbook to the campus life at Indiana State Teachers College. Be sure that you read it carefully.

The Cue contains information which will benefit each student who has it in his possession. If you have any questions about rules and regulations, social life, or the history of the College, consult this handbook. You will find five divisions in the book with each division alphabetized for your convenience.

Since the Cue must go to press before the end of the 1958 spring term, there may be a few changes made in September when you arrive. Always check the Daily Bulletin for additions or corrections to the data listed in the Cue.

The staff of the Cue has worked hard to make this handbook one of the best representatives of Indiana life. Keep it with you and use it frequently. May your four years at ISTC be the years that bring back the fondest memories. On behalf of the student body and faculty may we say, "Welcome to Indiana!"

GREETINGS

Welcome to Indiana!

Indiana is the largest of the fourteen teachers colleges in Pennsylvania. It is in fact the ninth largest of the one hundred colleges and universities in the entire Commonwealth.

But Indiana is not known for its size alone. It has long been recognized as one of the outstanding professional colleges for teachers in the country.

It has a student body of 2400 students who have been selected from those who rank highest in their high school class. Its faculty of 142 members includes many who have attained nationwide recognition.

The College is located on a beautiful campus of more than sixty acres. Its excellent plant is being augmented at present by the construction of four new buildings. During this year and next, the expansion of the College will likely create many inconveniences which we trust you will accept willingly.

The College prepares teachers for elementary and secondary schools as well as teachers of special fields in Art, Music, Business and Home Economics. Basic to all special preparation is a curriculum of general education, supplemented by a comprehensive social and cultural program.

As a student you become an important part of an educational institution which prepares a large number of teachers for the public schools of the Commonwealth. You are important members of a student body which will carry on the high standards of excellence for which the College has always stood.

We hope that you will find your college home both enjoyable and stimulating.

Cordially yours,

WILLIS E. PRATT

President

HISTORY

A state - owned and state - controlled institution for higher learning devoted exclusively to the preparation of teachers for the public schools of Pennsylvania, the State Teachers College at Indiana has six curricula all leading to a Bachelor of Science in Education and the Provisional College Certificate in the field of the student's choice. The College also offers courses leading to the degree of Master of Science in Elementary Education.

Because of the need for a teacher training institution in western Pennsylvania, the General Assembly passed an act in the legislative session of 1871 granting aid to the establishment of a normal school in the ninth district at Indiana. The first building was completed and opened for students on May 17, 1875. This building, named John Sutton Hall in honor of the first president of the Board of Trustees, is still in use and in excellent condition. The steady growth of the school has caused a continuous expansion in its building program, including a men's dormitory, Walter Murray Whitmyre Hall, first occupied in September, 1952, and the new Leonard Hall, a classroom building ready for its first occupancy in September, 1954.

The size and natural beauty of the college campus offer ample opportunity for recreation in a pleasant environment. Our campus is frequently described as one of the most beautiful small college campuses in the country. In the center of the campus is the oak grove about which are grouped the main buildings, forming three sides of a quadrangle. The rest of the campus is made beautiful by a careful distribution of shrubs, flowers, and vines artistically arranged.

The main campus of the College, originally twenty-three acres with one building, is now composed of sixty-two acres on which are located eleven principal halls, twenty-four other buildings, and three athletic fields. This year ground will be broken and work will be begun on four new buildings, including music and science buildings, and two dormitories, one for men and the other for women. The College Lodge, located a few miles from Indiana, is surrounded by one hundred acres of wooded hillside. This not only offers opportunity for classes to study nature and conservation, but also provides an ideal setting for numerous social activities of the College.

In April, 1920, entire control and ownership of the school passed to the Commonwealth of Pennsylvania. In May, 1927, by authority of the General Assembly, the State Normal School became a college with the right to grant degrees. The name was then changed to the State Teachers College at Indiana, Pennsylvania.

Since the founding of the College in 1875, Indiana has graduated over 16,000 students, and since the College became a degree-conferring institution in 1927, about 6,000 degrees have been granted. Many of our graduates are organized into a strong Alumni Association with units active in many sections of Pennsylvania, New York, Michigan, and the District of Columbia.

ALMA MATER

To our noble Alma Mater's name
We, her children, sing a joyful lay,
And to her a new allegiance pledge,
That lives beyond a day.

A prayer for her who sheltered us,
A hope no child her name will stain,
A cheer thrice given with a hearty voice.
And now the sweet refrain.

Of Loyalty are symbols twain,
Her colors, crimson and the gray,
"Dear Indiana Mother Fair,"
The burden of our lay.

(Refrain)

Sing, O, Sing, Our Alma Mater's praise,
Hail, O, Hail! her color's gleaming hue!
Give to her our homage and our love
And to her name be true.

Mrs. Hamlin E. Cogswell

THE COLLEGE

Getting Adjusted To College Life

ABSENCE AND TARDINESS—The College has no cut system of absenteeism. In case of absence or tardiness the student will fill out a blank and present it to the teacher for admission to the class.

The teacher will pass judgment on the merits of the excuse and handle the matter accordingly.

The blanks will be available at any department office.

This plan puts the responsibility first upon the student, second upon the teacher, and third upon the Dean of Instruction, who may in turn furnish the adviser and the Dean of Men or the Dean of Women with whatever information is necessary for a follow-up.

Whenever a teacher feels that any student has been absent or tardy to an extent that might endanger scholastic standing, the teacher will report the fact promptly to the office of the Dean of Instruction.

ACTIVITY FEE for the regular semester is fifteen dollars (\$15); two dollars and fifty cents (\$2.50) for the three weeks summer session; five dollars (\$5) for the six weeks summer session. The fee for each semester is paid by each student at the time of registration. If the Treasurer of the Cooperative Association permits a student to delay payment, it shall be with the understanding that all such fees shall be paid by October 15 or February 25 or during the summer sessions by the tenth (10th) day after classes begin in that session. The Treasurer of the Cooperative Association shall send one reminder via college mail, and failure to pay the Activity Fee by the appropriate date shall automatically lead to immediate suspension from classes and all college activities. The only exception shall be in case arrangements are made in person with the treasurer for later payment when special conditions in individual cases warrant. Upon payment of the Activity Fee the student receives an "I" Card, which will admit the student free of charge to all social, cultural, and athletic activities sponsored by the College, during the semester.

BANK (STUDENT) — A department of the Cooperative Association known as the Student Bank is operated in the office of the College Bookstore. Students receiving money from home and not wishing to take the risk of carrying it on their persons or leaving it in their rooms may deposit it in the bank and withdraw it as needed by the issuance of checks.

To help defray the expense of insurance, etc., a nominal charge is made for this service. Students are urged by the faculty and administration to use this service as a precaution against loss.

Bank Hours:

Monday-Friday	10:45-12:00 noon
Monday-Friday	3:00- 4:15 p.m.
Saturday	10:45-12:00 noon

The **BOOKSTORE** carries all the textbooks used in the various classes. The management of the Bookstore on a cooperative student basis is directed through the Student Cooperative Association. Classroom accessories are available at nominal prices. Gym clothing, regulation tank suits and college rings may also be obtained. The Bookstore is open from 8:00 a.m. to 5:00 p.m. daily except Saturday, when it closes at noon. At the beginning of each semester the store operates an additional store where textbooks are sold.

The **BULLETIN (DAILY)** is issued every day by the administration. To have a notice printed it must be deposited at the switchboard or Post Office before 4:00 p.m. on the day previous to publication. Notices may not appear more than two consecutive days and must be clear, concise and of concern to a large portion of the student body and must have the signature of the sponsor. Every student should make it a habit to read the bulletin each day.

BUS SERVICE — Indiana is served by several bus lines. Connections may be made in Indiana for points east, north, west, and south.

Blue Ridge Lines (Hess Restaurant Terminal): Connections with Greyhound Lines in Blairsville. Service to and from Blairsville and Pittsburgh.

Information concerning schedules for Route 80 Short Line may be secured at The Wigwam. Passengers are received and discharged at the north gate of the campus or at The Wigwam. Tickets are sold on bus only.

CARS — Resident women and freshmen men who do not commute daily are not permitted to keep cars in Indiana unless special permission is given by the appropriate Dean.

Every student who regularly drives a car on the College campus must register with the Dean of Students and have a sticker on his car windshield. Parking violations are checked daily and drivers may be fined for illegal parking.

The **COLLEGE LODGE** plays an important part in the instructional and recreational life of Indiana. Owned by students and faculty, this 100 acres of wooded hillside, with its rustic lodge and three shelter houses, not only offers opportunities for classes to study nature and conservation but also is in demand for picnics, meetings and winter sports.

Arrangements for use of the Lodge or shelters are made in the office of the Dean of Women at least one day prior to use. A permit is issued and must be presented to the Caretaker on arrival.

The Caretaker is held responsible for regulations for use of the Lodge property. Those using the property are responsible to him for its proper use.

Any student or faculty member on the property at any time must be ready to identify himself by presenting an "I" card at the request of the Caretaker.

The following are eligible to use the Lodge:

A. Any student group with a faculty adviser.

B. Any organized unit or group of alumni.

- C. Any organized faculty group, groups with faculty predominating, or faculty families.
- D. Students with their families may use outside shelters, when the usual permit has been issued.
- E. Any other organization approved by the Treasurer.

CONTINUANCE IN COLLEGE — It is expected that a student attending college for his first semester earn a minimum of seventeen quality points to continue.

It is expected that a student earn twelve semester hours and twenty-five quality points each semester to continue in good standing.

A student earning more than seventeen quality points but less than twelve credits and twenty-five quality points may continue on probation for one semester.

Each person shall be considered individually if his record is poor with a view to allowing exceptions because of personal illness, family conditions, or good test record.

COLLEGE CONVOCATIONS are held every other week in the Auditorium on Tuesday at 11:00 a.m. At this time the College presents the best available speakers, artists and musicians. Students are requested to attend these assemblies. If they absent themselves excessively they may be required to earn additional hours for graduation. The Daily Bulletin and the Indiana Penn carry announcements about all convocations.

The DEN — A smoking room for girls on the ground floor of John Sutton Hall is open daily until the dormitory closes at 10:00 p.m. This room is maintained and managed by the students who use it. The second floor Smoker is open until 12:00 p.m.

EMPLOYMENT (See Student Aid, page 19)

FIRE DRILL REGULATIONS — A fire drill, required by state regulations, is observed one day each month by all college personnel. Fire drill regulations are posted in each hall of the college buildings. Students are expected to act promptly according to directions. Students should become acquainted with the proper exit from any location in the buildings on the campus.

A student should be appointed in each class to open and wedge the door when the alarm rings.

Teachers should be the last out of the room and should be sure that all windows and doors are closed upon leaving. Lights should be left on.

Students should leave the building as rapidly as possible and keep moving until they are at least fifty feet from the exit.

Teachers are urged to leave the building and to assist by keeping all exits cleared and by asking students to keep moving until they are fifty feet from the building.

Teachers in rooms where there are fire escapes are responsible for having the doors leading to the fire escapes open and blocked open immediately when the alarm sounds.

It is an important duty of the fire chief in each building to see that all external fire escapes and other exits are not made impassable by snow, ice, debris, etc., and are in good working order.

FRESHMAN ORIENTATION DAYS — The first five days of the first semester have been set aside as "Freshman Week." During these days new students will complete their registration, secure their programs and take their health examinations and a battery of tests. Other activities will include get-acquainted party, convocation, community sing, hall group get-together, a meeting with their counselors and several meetings with the social deans.

The **COLLEGE INFIRMARY**, located at 406 South 11th Street is for the use of all students free of charge except for special medications and prescriptions. Regular hours are maintained but emergencies, including sprains, faints, cuts, indigestion, and dysmenorrhea, may be treated at any time. Nurses should not be called to the student's room unless the seriousness of the illness makes a trip to the infirmary inadvisable. After the girls' dormitories close for the night, women students should contact their Counselor, Head Resident, or the Dean of Women in case of illness.

House and dormitory students who are seriously ill may secure a bed in the infirmary free of charge for three (3) days. After that time a charge of \$1.00 per day is made. Off-campus students are charged \$2.00 a day from the first day. A maximum of two visitors may be permitted from 4:00 to 5:00 p.m., granted permission.

Students should report any illness to the infirmary before a class is missed if they desire infirmary verification for excuse blanks. Students should not attend classes if they have heavy colds.

All students are asked to call at the infirmary before visiting a doctor or dentist in town so that a complete health record may be kept. Also students who become ill at home should not return to school until they are well enough to go to classes. If a physician has been in attendance, the student should bring to the infirmary a statement of the diagnosis.

All books are accessible on open shelves either in the reading rooms or in Rooms 6 and 7 of the ground floor.

With the exception of a few books which are reserved for special purposes, all books circulate for two weeks. Unbound periodicals circulate for one day. Bound periodicals do not circulate. Students need their library cards to take out books.

JANE E. LEONARD MEMORIAL LOAN FUND — This loan fund, which was established several years ago, has been built up by efforts of the faculty and alumni. The fund now totals about \$26,000. The governing board in charge of granting loans consists of a faculty committee appointed by the President of the College. The plan in operation now provides for the granting of loans to sophomores, juniors and seniors with interest at two per cent, payable at maturity of the loan. Not more than \$100.00 will be loaned to a sophomore during one semester and the maximum sum loaned will not exceed \$400.00.

MEN'S VARSITY "I" LOAN FUND — The Men's Varsity "I" Club has built up a loan fund for members who are in good college standing on varsity athletic teams. Members may borrow not more than \$150 per year. Loans are made for a reasonable period of time and are interest free for the first year. Thereafter the interest rate is two per cent per annum.

SMALL LOAN FUND — Thirty-day loans not to exceed \$20 are available to all students in cases of emergency. No interest is charged. These loans are available upon application to the Dean of Students, Dean of Women and Dean of Men.

LOST AND FOUND — Students should report the loss of property immediately to the custodian of the building. Articles found should be handed to the Dean of Women, the Dean of Men or turned in at the Post Office.

COMMUTERS' LOUNGE — For the use of non-resident women there are study, rest and lunch rooms in Iroquois House.

MAIL — The Post Office and the Women's Mail Room is located on the ground floor at the West entrance to John Sutton Hall. All other students receive their mail at their place of residence. Day students get their mail in boxes provided for them in John Sutton Hall and Whitmyre Hall. The Post Office is a branch of the City Post Office and is open each weekday. Students

may mail and receive packages through the College Post Office.

ORIENTATION PROGRAM — During the first semester a series of orientation meetings are held with freshmen and transfer students. Discussions of social needs, customs, campus activities, and academic procedure assist in the understanding of life on the college campus. Attendance at these meetings is required of all new students.

POSTERS — Because of the many activities on campus, and the small amount of available poster space, it is necessary to regulate the number and size of advertising posters in John Sutton Hall. For each event only one poster is permitted and it should not be larger than 9 x 12 inches. All posters should be approved at the switchboard before being placed on the bulletin board at north entrance to John Sutton Hall. Posters should be removed immediately following the activity. No posters should be placed on trees.

RADIO BROADCASTING continues as an established activity of the College. Programs are broadcast by remote control from the Broadcasting Studio in Leonard Hall, over station WDAD.

These programs provide entertainment for families and schools in the area covered by the local station and furnish practical laboratory experience for the students taking part. The broadcasts are usually the results of the courses in radio, which embrace microphone techniques, radio acting and all phases of production; however, all departments of the College are invited to participate.

SCHOLARSHIPS

STATE SCHOLARSHIPS — The Department of Public Instruction annually awards scholarships worth \$100 a year for four years on the basis of competitive examinations which are held on the first Friday in May of each year. These scholarships are awarded in each county and senatorial district in the state, and may be used at the State Teachers Colleges. Inquiries concerning State Scholarships may be sent to Chief, Pre-Professional Credentials, Department of Public Instruction, Harrisburg, Pennsylvania.

CORRINE MENK WAHR SCHOLARSHIPS — Through the

generosity of Corrine Menk Wahr, Class of 1916, approximately fifteen scholarships are awarded each year to worthy students. Applicants for Wahr Scholarships must be residents of Pennsylvania and must be interested in the teaching profession. Applications may be secured from the Registrar or Dean of Students Office. The policy governing the scholarship fund is established by the Board of Trustees and administered by a committee appointed by the President of the College.

Seven Wahr merit recognition scholarships of fifty dollars each are given to students at the College for excellence in certain fields as follows: the student who excels in athletics; the student who does the most to promote fine arts; the student who contributes the most to campus welfare; the student showing the most initiative in bringing new ideas or action to the ISTC campus; the student evidencing the most professional promise as a teacher; the student with the highest scholarship during the first three years of college; and the student who writes most effectively.

CLARK SCHOLARSHIPS—The Lieutenant Alpheus Bell Clark Memorial scholarships, established by Mr. and Mrs. Steele Clark, Cherry Tree, Indiana County, in memory of their son, offers the sum of fifty dollars each semester to that young man, or woman, a senior in the College, and a resident of Indiana County, who in the opinion of the committee chosen by the President best qualifies for the honor in terms of academic ability, leadership, and service to the College. Preference will be given to a veteran, or to the son or daughter of a veteran.

MORRIS SCHOLARSHIPS—The Helen Wood Morris Scholarships were established by Lieutenant-Colonel L. M. Morris, of Altoona, in memory of his wife, a graduate of the College. The sum of one hundred dollars will be awarded annually to students selected by a committee named by the institution, one award to a sophomore, the other to a junior. Students chosen must be in the highest quarter of their class, must be in need of financial assistance, and must have demonstrated worthiness in terms of character, personality, leadership, and American citizenship.

PRESSER FOUNDATION SCHOLARSHIP — The Presser Foundation of Philadelphia awards scholarships each year to music

students at the Indiana State Teachers College. Application should be made to the Loans and Scholarship Committee through the Chairman of the Music Department.

KAPPA DELTA PI SCHOLARSHIP — This award of twenty-five dollars each year was established by the Beta Gamma Chapter of this college to honor that member of the sophomore class who is judged to be the ideal college student. The award is made on the basis of character, scholarship, and evidences of leadership.

SYNTRON FOUNDATION SCHOLARSHIPS — Through the Syntron Foundation of Homer City, several scholarships of \$200 are awarded annually to freshmen. Preference is given to graduates of Homer City, Blairsville, and Indiana High Schools. Sixteen scholarships good for four years are now in effect. Applications must be filed with the Dean of Students by April 15.

SELECTIVE SERVICE AND MILITARY INFORMATION — Every man enrolled at Indiana, including R.O.T.C. cadets and those who have not yet registered with Selective Service, should report by October 10 and February 10 to the Dean of Men in Whitmyre Hall to file information concerning his Selective Service status. All information received from Selective Service should be reported so that records are up-to-date at all times. All correspondence and reports to Selective Service Boards are sent from the Dean of Men's office.

Students may be considered for deferment on the basis of academic rank or on the basis of the score made on the Selective Service Qualification Test. Each student, including R.O.T.C. cadets, should take this test the first time it is offered. Specific qualifications and procedures for requesting deferment are available in the Dean of Men's office.

Every man is required by law to register with Selective Service within five days after his eighteenth birthday. Students need not return to their homes but may report to the local Indiana Selective Service Board.

Men ordered to report for a physical examination on a day when school is in session should report to the local (Indiana)

Selective Service Board in the Pagano Building, 26 N. 5th St., and arrange to have the orders for this examination transferred to the jurisdiction of the local Board.

It is the responsibility of every student to inform his Selective Service Board that he is in college and to inform them if he withdraws.

SMOKING REGULATIONS — Men students may smoke on the campus, in the Men's Lounge Room, or in Whitmyre Hall.

Smoking is not permitted in campus buildings, halls or lavatories.

Women students may smoke only in the smoking rooms provided in each women's dormitory or in the Student Union.

STUDENT AID (EMPLOYMENT) — All students who need employment to defray part of their expenses should file an application for student employment in the office of the Dean of Students. Opportunities that develop for work on the campus or in town are filled from application records.

Information concerning financial assistance other than employment is available in the office of the Dean of Students. See also "Scholarships" and "Loans" in the CUE.

STUDENT UNION is operated on the ground floor of the south wing of Whitmyre Hall by the treasurer of the Cooperative Association under a special Union Fund and provides a spot for student relaxation. Card games and dancing are available and refreshments may be purchased at the snack bar. The Student Union will be open daily at the following hours:

Sunday 4:00-10:30 p.m.

Monday through Saturday 7:00-11:30 p.m.

The **CLARK HALL COFFEE SHOP** and the Television Room are located on the ground floor of Clark Hall and are open to all students. All types of light lunches are available.

Hours:

Monday - Saturday 7:30 a.m. - 7:00 p.m.

Sunday 4:00-10:00 p.m.

TELEVISION production experience is now available at the College. Interested students spend a minimum of 100 hours learning the mechanics of production, through the facilities of WQED, Pittsburgh's educational television station. This workshop experience serves as part of the requirements for the educational television course offered each semester.

In addition to workshop participation both faculty members and students present television programs of various kinds. Some of these stress classroom instruction, while others encourage artistic appreciation.

TESTING PROGRAM FOR FRESHMEN AND OTHER NEW STUDENTS — All new students except those transferring two years' credit are required to take a series of tests during the first week of college. Students who transfer less than two years' credit may request their test record from their previous college be submitted for evaluation. The program includes a personality inventory; achievement examinations in reading, writing, mathematics, social studies and science; and a speech test. Passing this test (demonstrating essentially normal speech) is one of the necessary requirements for attaining Junior Standing. These tests measure a student's background in these fields and are used for classification and guidance. The results of the tests are made known to the student through his adviser.

VETERANS INFORMATION — All documents and reports that put a veteran in training, on the payroll, etc., are prepared by the Veterans Counselor in the office of the Dean of Men in Whitmyre Hall. Korean veterans must report to this Secretary on the day of enrollment each semester and each summer session in order to be paid subsistence beginning with the first day of the term. As soon as a veteran registers with the College he must bring his receipts to the office of the Veterans Counselor to complete enrollment for V. A. purposes. He must also report on one of the last two school days each month to sign payroll documents.

The Veterans Counselor is required by V. A. regulations to report immediately to Veterans Administration any veteran whose conduct or academic progress is unsatisfactory, whose absences are excessive or who withdraws from college. Absence reports

are made each week by the faculty. Excessive absence may lead to reduction in subsistence pay or to interruption of training.

Korean veterans must pay for all fees, textbooks and supplies at the same time non-veteran students are required to pay.

It is the responsibility of each veteran to report to the Veterans Counselor any change of program made at any time after enrollment. He should also report in the event an emergency requires absence in excess of three days so that his absence will not be interpreted as withdrawal from college and reported as such to Veterans Administration. Upon return from such absence he should report to the Veterans Counselor.

If a veteran must withdraw from college he should report to sign the documents required by Veterans Administration regulations. All veterans should present a photostatic copy of their discharge papers (DD214) to the Dean of Instruction to secure credit for health courses.

More detailed information concerning V. A. requirements is available in the office of the Veterans Counselor.

CARE OF ROOMS AND USE OF FURNISHINGS

1. Rooms shall be kept orderly. Beds shall be made daily.
2. Furniture or other furnishings shall not be exchanged or removed to other rooms unless permission is obtained from the House Director. No personally owned furnishings or equipment except portable radios, shall be installed in rooms without permission of the House Director. Mattresses are not to be removed from beds and must not be taken outside on lawns or on porch roofs of the houses.
3. Nails, screws or tacks must not be driven into any college property. All damage to college property must be paid for.

3. No plug-in double sockets are to be used without permission of the Superintendent of Maintenance.

MEN AND WOMEN VISITORS

1. Whitmyre Hall and college houses are open for visits of mothers and other female members of the immediate family on Sunday from 2:00-5:00 p.m. Fathers and other male relatives may visit at any time during regular dormitory hours but they should inform the Head Resident of their presence. Female relatives who wish to see a student at times other than mentioned above should see the Head Resident in Whitmyre Hall to make arrangements.

3. Occupants of the dormitory and college houses will be responsible for observance of regulations by visitors.

CARS AND PARKING

1. Freshman men, who do not commute daily, are not permitted to have cars in Indiana. Exceptions in special cases may be authorized by the Dean of Men.

2. Students may not wash automobiles with water obtained on college property. The College purchases its water from a private water company and its monthly cost is a sizeable item in the budget. Students will appreciate the fact that condoning washing private cars would add materially to the expenditure for water.

3. Unless otherwise announced, rooms shall be vacated at 7:00 p.m. of the day a vacation begins and remain unoccupied during the vacation.

4. Exceptions to the two preceding items will be made for dining room employees or student teachers who are required to remain longer and, in May for graduating seniors and for under-class music students who must participate in baccalaureate or commencement exercises.

5. No personal possessions may be left in houses or the dormitory rooms at the close of school in May or in August. Lockers are available for storage in Whitmyre Hall. Personal property left will be regarded as discarded.

MISCELLANEOUS

2. Men who date college women automatically assume equal

responsibility with them to abide by the regulations governing women students. They must accept equal censure with the women for any infraction of regulations.

3. Study hours in college - controlled and college - owned property begin at 7:00 p.m. and reasonable quiet shall prevail thereafter.

4. Money and valuables should be locked up. Report any loss immediately.

The Head Resident is to be informed by those living in Whitmyre Hall. Men rooming in town should inform their landlady.

6. Musical instruments are not to be practiced or played in rooms. Music students will arrange for practice room assignments with the Director of the Music Department. Other students with practice assignments may use practice rooms in Whitmyre Hall between 7:00 a.m. and 11:00 p.m. when not in use by music students. Only instruments taught in the Music Department may be practiced in the practice rooms.

7. All men eating in the dining room are expected to comply with the following Dining Room Committee's regulation:

For dinner (daily): Men will wear starched shirts and ties or sport shirts buttoned at the throat; suit coats or sport coats. During hot weather coats may be removed but long sleeve sport shirts buttoned at the throat will be retained.

Sunday dinner: Starched shirts, ties and coats. Again, coats may be removed in hot weather.

8. STUDENTS ARE NOT PERMITTED TO ACT AS SALES OR ADVERTISING REPRESENTATIVES WITHOUT PERMISSION OF THE DEAN OF MEN.

SALESMEN TO SHOW THIS AUTHORIZATION BEFORE MAKING ANY COMMITMENT.

9. Other pertinent regulations will be published as necessary.

The **CULTURAL LIFE COMMITTEE** consists of faculty members appointed by the President of the College and student representatives elected by the various departments. Its purpose is to bring to Indiana the best speakers and artists available. Selection of the numbers to be presented is made by the committee members. Chairman, Drumheller.

The **RELIGIOUS LIFE COMMITTEE**, composed of three faculty members and a student chairman, with other faculty religious organization advisers and student presidents, is responsible for the religious activities of the college students. It serves to coordinate the activities of the Student Christian Association and the college church clubs. The committee plans and arranges the Religion in Life programs and the monthly College Vespers. Faculty Chairman, Sahli.

The **STUDENT'S CENTRAL TREASURY** serves the purpose of a bank for student organizations, making available on the College campus all services, necessary business papers and standardized procedures for the administration of extracurricular finances. The office is under the supervision of John Lingenfelter, Cooperative Treasurer, who is directly responsible to the President.

Services of the Student's Central Treasury include installation of accounting records, uniform continuation between business officers and their successors, systematic methods for handling money and general assistance to organization officials in keeping their financial activities on a sound financial basis.

Organization treasurers are required to write receipts in duplicate for all dues, fees, assessments, etc., which they collect or receive. They give the original copy of the receipt to the person from whom the money is received and retain the duplicate copy.

All disbursements are paid by check, typed in duplicate by the Central Treasurer upon submission of treasury orders by organization treasurers. The Central Treasury retains the carbon copy of

the check, countersigns the original and returns it to the organization's treasurer who then obtains the sponsor's signature.

From handling the vouchers, evidencing receipts and disbursements, organization treasurers gain valuable experience in cash routines as well as in keeping a simplified cash book.

The fiscal and auditing policies for all student and campus groups follow. All money received from any source whatever by any group, student or otherwise, which is not part of the Student Cooperative Association Budget, shall be carried in a Central Treasury account in the Student Cooperative Association. All expenditures must be made through the Central Treasury. Furthermore, all income shall be deposited promptly in the Central Treasury.

Each individual responsible for a Central Treasury account shall submit the organization's books for auditing annually, at the time announced in the college bulletin. After preliminary checking and correction, each organization shall file an audit report (forms may be secured in the Cooperative Association office) which must be approved as correct by the auditor. Failure to follow the foregoing procedure, or failure to abide by the general fiscal policy stated in the foregoing, shall lead to a "freezing" of all money held in the Central Treasury account of an organization until the deficiency is removed.

MEN'S STUDENT LEAGUES — The Resident Men's League is composed of all men students who live on college property which includes Whitmyre Hall, fraternity houses, Fleming and Team houses. The Non-Resident Men's League includes all students who are commuters or day students and those who live in private homes in town.

NON-RESIDENT WOMEN'S LEAGUE — The Non-Resident Women's League is made up of all those women students who do not live in the dormitories. It meets the third Friday of every month at 12:30 p.m. to discuss the problems and carry on the business of the organization. Since every woman day student is automatically a member, there are no regular dues, but small fees to cover the immediate expense of social events are collected. A fall outing and a spring outing are held at the College Lodge

as well as occasional teas and parties. Various committees carry on the duties assigned to them to assist the officers in making a happy living situation. Adviser, Risher.

PUBLICATIONS

The **CUE**, the college handbook which is financed by the Cooperative Association, is distributed before the opening of the fall session each year as a guide to the students. In it are published regulations governing students and student activities. The Cue also contains descriptions of all college organizations, both curricular and extracurricular, and a calendar of events for the coming year. Adviser, Rider.

The **OAK** is the college yearbook, a pictorial and written review of the year's activities. It is published annually with funds from the Student Cooperative Association and fees from advertisers and organizations. The yearbook is given to all students who have paid the activity fee for two semesters. A student leaving at mid-semester may obtain a copy by paying \$3.00 and the mailing fee; anyone entering at mid-year may receive a copy by paying this fee to the Business Manager of The OAK.

Staff positions are filled by selection from a list of applicants submitted to a committee composed of The OAK advisers, retiring Editor and Business Manager, Public Relations Director, Student Council President and representative. There are ten paid positions on the staff. These appointments are subject to the approval of the Student Council of the College. Advisers, Ghrist, Lucker, and Sheeder.

The **INDIANA PENN** is the weekly campus newspaper written and managed by students. It is an uncensored college paper. It provides opportunities for any student interested in writing to gain experience. Staff members are chosen for their genuine interest, ability, experience and willingness to devote the time and energy required to publish a superior newspaper.

Staff members are chosen at the organizational meeting held early in each semester, except for the top two executive positions, which are selected by the Student Council upon the recommendation of a student-faculty committee. Editor, Charles Gides. Consultant, Nicholson.

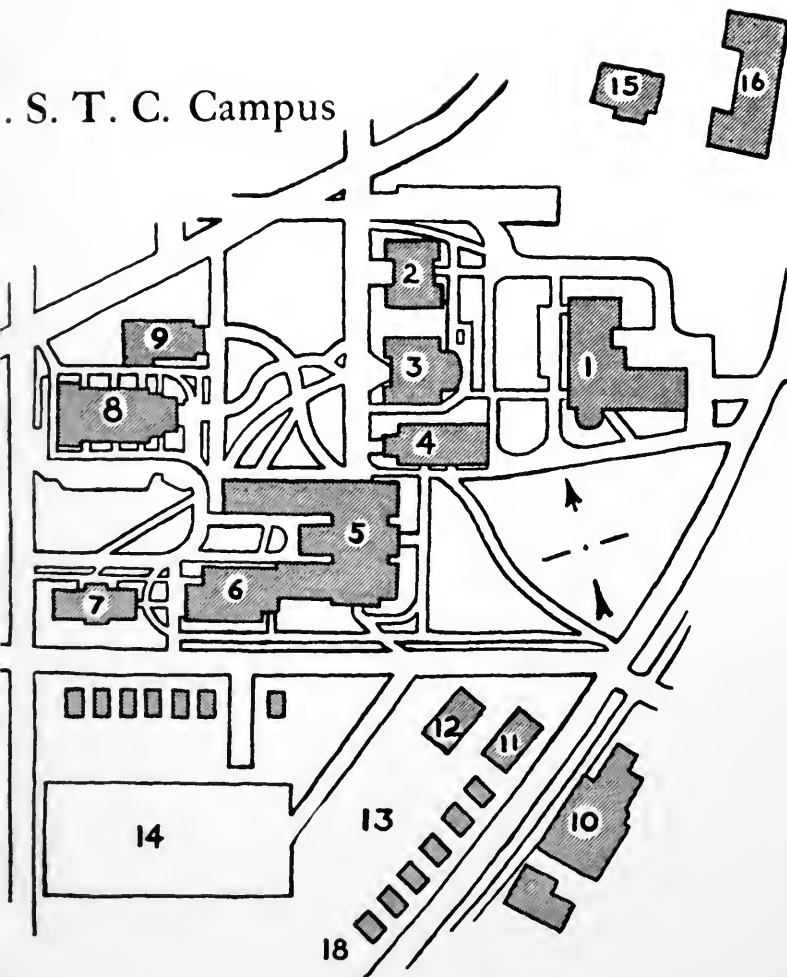

The **INDIANA STUDENT WRITES** is a student publication of creative writing on the Indiana campus. Student literary and art staffs supervise the selection and editing of literary and art material. While the creative writing classes are the primary source of material, encouragement is offered to any student in the College to submit short stories, poetry, short plays, and personal or critical essays.

The literary and art editors are elected by the Student Council from nominations approved by a committee composed of the president of Student Council, the present literary and art editors, the college director of public relations, and the adviser. The editors for 1958-59 are: Literary Editor, Dorothy Specht; Art Editor, Marilyn Erkens; Adviser, Green.

ATHLETICS

ATHLETIC REGULATIONS

Eligibility

1. **Years of Competition.** A student shall not be allowed more than four years of intercollegiate competition.

2. A student must complete his intercollegiate competition within a five-year period from the date of first matriculation at any college. This restriction may be waived in the case of a veteran or draftee.

Interpretation: In determining years of competition in all cases, the following provision applies: Participations, however brief, in any intercollegiate athletic competition in any college or junior college will cause that year to count as one of the allotted years of competition.

Note: The restrictions of Section I-C are waived in the case of a veteran. The year or years during which a student may have represented any college, as a service trainee in intercollegiate athletic competition shall not count in his total years of eligibility.

3. Academic Attainment.

a. A student to be eligible must carry at least twelve (12) semester hours of credit courses.

b. A student to be eligible must have secured passing grades in at least twelve (12) semester hours of work during his preceding semester. A student having failed to pass twelve (12) semester hours in any semester may become eligible by attending summer sessions and securing a passing grade in twelve (12) semester hours of credit.

4. **Transfer Students.** No transfer student shall be eligible for intercollegiate competition in varsity sports until he has completed satisfactorily a full year's or two semester's work at his college.

Interpretations:

a. Attendance at summer sessions shall not be regarded as meeting the requirements of a semester's residence.

b. The student who trains at a training camp with a college

before the football season opens but who does not matriculate at the college is eligible to enter a teacher's college and play that season.

Matriculation means a payment of fees, completion of registration forms and attendance at one class.

c. A student transferring from a regularly accredited junior college shall not be affected by this rule.

5. Amateur Rule. A student competing in intercollegiate athletics shall be an amateur in good standing. An amateur sportsman is one who is engaged in sports for the physical, mental, or social benefits he derives therefrom, and to whom the sport is an avocation. A student ceases to be an amateur and is therefore ineligible to participate in intercollegiate competition by the commission of any of the following acts:

a. Participation in any athletic competition under an assumed name, or otherwise with intent to deceive.

b. Directly or indirectly receiving money or remuneration for participation in any competition as a player or for coaching any sport.

c. Directly or indirectly receiving money for signing a contract with a professional team in any sport.

d. Signing a contract with a professional team in any sport, regardless of any subsequent cancellation or revocation, absence of payment, or lack of training with the team.

6. A student who is a squad member on or after the date of the first regularly scheduled contest, who engages in any athletic contest during a time the college is in session, not arranged or sanctioned by his college, shall not be eligible to represent his college in that sport during that semester, and he shall also be ineligible for the ensuing season in the sport in which he participated in an unauthorized contest. This includes Thanksgiving vacation and between semesters, but does not include Christmas vacation.

ATHLETIC AWARD SYSTEM

The Athletic Awards at Indiana include the Varsity "I," emblomed sweaters, and gold service awards. In order to achieve these awards certain requirements have been established.

For the letter, the Varsity "I," each sport has set up its own

requirements, peculiar to its own sport. The award is based on participation, scoring of points, attendance, and recommendation of the coach.

The sweaters are presented to those players who have won their second "I" with the condition that the letter was won the second time in the same sport.

The gold service awards are given to the athletes who are seniors, who have completed their last year of eligibility, and who have earned sweaters in the same sport.

The system is set up so that a player actually receives one letter and one sweater. A gold award can be received in each of the Varsity sports by seniors earning three letters in the same sport. Certificates are issued to each player for each award earned.

Also, rewards are set up for team managers, cheerleaders, and the Indiana Indian. At the end of the first year of service, each receives numerals, at the end of the second year the Varsity "I," and at the end of the third year the jacket.

INTRAMURAL SPORTS

There is an outlet for any desirous individual in the varied varsity and intramural athletic program, which has been re-designed and reorganized to fit the needs of the present day curriculum.

The student is urged to participate in those activities for which he is physically fit and which best fit his needs. Although many of the students are physically unable to compete in some of the more strenuous activities, there are still many choices always open in the Intramural Program. Usually a careful study is made of one's physical condition and needs and is supplemented by the advice of a leader in the field, enabling one to be in a position to make a wise choice from the activities offered.

The chief aims of the Intramural sports program as devised at Indiana are as follows:

1. To encourage athletics for present enjoyment and improvement of health.

2. To teach and train students in athletic activities in which they can participate after school life as a profitable use of leisure time.

3. To develop habits of good sportsmanship and fair play.

4. To furnish a knowledge of the rules and skills required to prepare students to organize and promote intramural sports in the public schools.

MEN'S VARSITY "I" CLUB

I. PURPOSE AND OBJECTIVES

A. To promote and foster good fellowship, sportsmanship, and friendly feeling of cooperation among the athletes of this and rival colleges.

B. To stimulate interest in athletics at the College.

C. To provide competent and capable athletic aggregations to admirably represent the College in intercollegiate athletic engagements.

D. To consider a qualified scholastic standing a noteworthy requisite for a Varsity "I" member.

E. To interest outstanding athletes to enter our school.

F. To sponsor worthwhile entertainment in one form or another, for the benefit and enjoyment of the general student body, as well as of the club.

II. MEMBERSHIP

A. The organization shall include and comprise those individuals who have been certified by the College Athletic Committee as having won a letter (Varsity "I") in any one of the varsity sports of the College.

B. The President of the College appoints an Athletic Committee or Council. The male members of this committee automatically become members of the club.

C. Honorary membership may be granted to any individual by a two-thirds vote of the active membership of the club.

D. Alumni members — graduates who have won a Varsity "I" in any major or minor sport — shall have full rights and privileges except that of voting. The right to vote is reserved for active members only.

The Varsity "I" has built up a substantial fund to be used

primarily as a loan fund for those who have won their "I's" and for incoming members of Varsity teams. From this fund, any member of the Varsity "I" in good standing is permitted to borrow up to not more than \$150 a year nor more than \$300 in all.

WOMEN'S ATHLETIC ASSOCIATION BOARD — Purpose:

A. To stimulate interest in, and to promote physical activities among the Indiana women; B. To bind closer together those with common interests in sports: The board is in charge of selecting the manager of each seasonal event. The board is in charge of all extra college athletic activities for women. The manager of each event will get experience in the handling of a tournament.

WOMEN'S INTRAMURAL SPORTS —

Seasonal tournaments are held in the following: volleyball, archery, tennis, field hockey, in the fall; basketball, bowling, table tennis, in the winter; softball, horseback riding, in the spring; recreational swimming, synchronized swimming, modern dance, year around. All women students are eligible to participate in the various sports activities.

LIFE SAVING - WATER SAFETY —

Classes in Senior Life Saving are offered both semesters to provide training for students who desire to qualify for work in summer camps and other projects. These classes are taught by both college and campus instructors. The requirements for participation in these classes are set up in the Red Cross Water Safety Book. A further stipulation is that all participants must satisfactorily complete the American Red Cross Swimmers' Skills.

An Instructor's Course in Water Safety is offered to those who have completed the following: The Senior Life Saving Course Swimmers' Skills, The Advanced Swimmers' Skills, and a 15-hour preliminary instructor course.

The final examinations for the Instructor's course are given by Field Representatives of the American Red Cross during the month of April.

CHEERLEADERS for the athletic contests are selected at the beginning of the first semester, when vacancies occur, or if exceptional ability is noticed on the part of any incoming freshmen. Students interested should contact Dr. Rischeberger.

SONGS

SPIRIT OF INDIANA

On! On! On! On to victory.

Everyone expects to see you win today.

Fight to win! "Play the game square!"

Always for your Alma Mater do and dare.

Now then go! Give them not a show,

You have skill and daring, that we know,

For not only will you score, but will add

a few points more.

Just to show them how we do at Indiana.

Indiana, don't you hear our cheer?

That you'll honor us we have no fear.

See your pennant floating o'er the field!

Unto foemen you will never yield.

You will hear us as we shout and sing,

With our praises will the welkin ring.

Other teams will know their fate,

When they meet the "Red and Slate."

It's the way we always do in Indiana.

(Chorus)

Victory! Victory! Victory!

With your faces ever towards the foe,

Victory! Victory! Victory!

Pressing forward down the field we go!

Victory! Victory! Victory!

Every man is finding every play,

For 'tis written on your shield,

"Unto foemen never yield."

We will always do our best for Indiana.

SOCIAL FRATERNITIES

A fraternity may be described as a group banded together for the purpose of fostering lifelong friendships and giving cooperative service to one another, to the college campus, and to the world at large.

Fraternities were founded for the purpose of uniting young people in bonds of friendship. This aim they have admirably achieved throughout many years.

Fraternities, likewise, hold high ideals in education. They emphasize scholarship; they cooperate with college administrations;

they uphold college traditions; and they support the Alma Mater.

Finally, fraternities provide the advantages of the strength which unity makes possible. They broaden the experience of members through contacts with persons all over the country — persons who willingly lend a helping hand in a strange community or in getting a job.

The **CAMPUS CHRISTIAN FELLOWSHIP** (associated with Inter-Varsity Christian Fellowship) is an organization whose purpose is to lead others to personal faith in Christ as Saviour; to deepen their spiritual life by study of the Bible, prayer and Christian fellowship; and to confront them with the command to world evangelism. Membership is open to all students who have a sincere interest in the purpose of the organization. There are no dues — only voluntary contributions. Campus Christian Fellowship has social gatherings and also two week-end conferences, in the fall and spring, which highlight the year's activities. Adviser, Mackey.

The **STUDENT CHRISTIAN ASSOCIATION** is an organization combining Y.M.C.A. and Y.W.C.A. In its program, which includes speakers, panel discussions, group discussions, and social gatherings, the S.C.A. strives to meet the spiritual, mental, and social needs of all students on campus, regardless of creed or race.

In the coming year the S.C.A. will sponsor weekly morning watch services, special watch services at Thanksgiving, Christmas, and Easter, and the World Student Christian Federation Universal Day of Prayer. S.C.A. supports World University Service and promotes a variety of other service projects. Annual dues are \$1.00. All students and faculty of the College are welcome to become members. Advisers, Shields, Snyder.
